

# Consent to email data

Suncorp Bank Reference:

Please complete the relevant section below.

Once completed, please email this form to BTAP@suncorpbank.com.au

If you are using Adobe Reader, either click the Envelope icon above, or click File -> Attach to Email.

You may need to enable Javascript to do this.

Alternatively, you may print and complete the form, then scan it to an email.

## Individual Bankrupt:

"I/We,   
appointed trustee/administrator(s) of the bankrupt estate of   
consent to Suncorp Bank (Norfina Limited) providing me/us with bank statements and other confidential information as necessary in  
relation to the bankrupts' accounts and facilities held with Suncorp Bank via email to  
the following email address:

There is no guarantee that an email sent to us or by us will be secure, virus free or successfully delivered. I/We acknowledge and accept that Suncorp Bank is not liable if due to circumstances beyond its control, messages sent to the nominated address are intercepted, delayed or corrupted or received by someone else. I/We agree to indemnify Suncorp Bank against any damages or losses suffered as a result of an unauthorised party receiving and/or intercepting any such emailed documents."

## Insolvent Corporate:

"I/We,   
appointed liquidator/receiver(s) of   
(in liquidation), consent to Suncorp Bank (Norfina Limited) providing me/us with bank statements and other confidential information  
as necessary in relation to the company's accounts and facilities held with Suncorp Bank via email to the following email address:

There is no guarantee that an email sent to us or by us will be secure, virus free or successfully delivered. I/We acknowledge and accept that Suncorp Bank is not liable if due to circumstances beyond its control, messages sent to the nominated address are intercepted, delayed or corrupted or received by someone else. I/We agree to indemnify Suncorp Bank against any damages or losses suffered as a result of an unauthorised party receiving and/or intercepting any such emailed documents."
