^ The term "immediate" in "Immediate External Internet Transfer" refers to when you initiate the transfer, not the payment processing time after you initiate the transfer.

The deposit is taken by Armaguard on behalf of Suncorp Metway Ltd ABN 66 010 831 722 at all atmx ATMs.

- PayTo is a service provided through the New Payments Platform (NPP) and allows you to pre-authorise and control payments from your PayTo eligible Account (refer to table above) by establishing PayTo Agreements with Merchants and Payment Initiators who offer the PayTo Service as a payment option. You need the Suncorp Bank App to be able to authorise and view a new or updated PayTo Agreement. The PayTo Service is not available for Accounts which require 2 or more persons to sign to withdraw from the Account. Please refer to our Terms and Conditions for Suncorp Accounts and Continuing Credit Accounts for full details about the PayTo Service, including how you can amend, pause and resume or cancel a PayTo Agreement.

** Please refer to page 10 for terms and conditions which apply to creating a PayID with the assistance of our staff in a Suncorp Bank branch or over the phone.

How Fees are Charged

ATM Operator Fees will be charged to your account at the time of the transaction by the Financial Institution which owns the ATM.

Government Fees

In the future various governments may impose taxes, fees, charges and duties on accounts and transactions to accounts. If this occurs, your account statement will show government taxes, fees, duties and charges as a separate item.

The following package/s are no longer available for new accounts or for account changes.

Cashflow Accelerator™

The Cashflow Accelerator™ offers a combined Merchant EFTPOS facility and Business Investment Account (with Options) as a single interest earning transaction account solution.

No monthly account keeping fee is payable on the deposit account. Interest is paid on every dollar deposited into this account (unless in flexiRate) along with daily settlement funds from the Merchant EFTPOS facility.

Funds (unless in flexiRate) are available "At Call" which means money can be accessed any time banking facilities are available. The Business Investment Account with Options can also be linked to BPAY® Biller or Business Payments to make receiving customer payments or making payments to suppliers easier.

Our Suncorp EFTPOS terminals accept all Australian EFTPOS cards as well as VISA and MasterCard. You can also accept payment by cards issued by American Express, Diners Club and JCB, using the EFTPOS terminal, if you get our consent and you make separate agreements with those organisations.

Settlement funds are credited to your nominated Suncorp account on the same day card transactions are processed every day of the year (except Christmas Day).

Suncorp will also provide you with Internet access to our merchant management system, where you can view details online of card transactions (except charge cards) processed through your Suncorp merchant facilities, plus track chargeback items. You no longer need to wait until you receive your monthly invoice or bank account statement to view settlement information. The system also allows you to download information such as transaction data.

The following package/s are no longer available for new accounts or for account changes.

Business Finance Pak

Our Business Finance Pak combines a Business Deposit Account (a transaction account with an overdraft facility) with up to 3 Term Lending facilities.

The Business Finance Pak comprises a single 'all inclusive' quarterly service charge which covers all facilities within the package. The Business Finance Pak offers a standard rate of interest which:

- applies to credit balances in the transaction account;
- is tiered
- is calculated daily on the end-of-day credit balance in your account and paid to you half yearly.

Varies dependent on Correspondent Bank and number of Correspondent Banks involved in the payment.

PayID

PayID Service

The PayID service is an addressing service that enables a person to make NPP Payments into your eligible Account using your chosen PayID instead of a BSB and Account number, if that person is permitted to do so by their financial institution (“**PayID Service**”).

You can create a PayID using any of the following unique identifiers:

- (a) a mobile number;
- (b) an email address;
- (c) an Australian Company Number;
- (d) an Australian Business Number; or
- (e) such other type of identifier permitted by the NPP and which we agree to let you use as a PayID.

In order to create a PayID you must be a holder of a PayID eligible Account and you must agree to link your PayID to that Account. Please refer to the applicable Fee tables above for PayID eligibility.

Once you create a PayID and link it to an eligible Account, NPP Payments which a person makes to your PayID will be directed to that Account.

You are not obliged to create or use a PayID for your Account. You can continue to operate your Account without a PayID, in which case NPP Payments to your Account will require your BSB and Account number.

Important information about PayID created in branch or over the phone

The following information and terms and conditions will only apply to creation of a PayID for your Business Account with staff assistance in a Suncorp Bank branch or over the phone.

Creating your PayID

You or an eligible authorised person on your Account (see below) can create a PayID for eligible Business Accounts by visiting a branch or calling us on 13 11 55, provided you satisfy the conditions set out in this PayID section. We will not create a PayID for you and register it in the PayID Service without your prior consent.

When you ask us to create a PayID we will tell you which PayIDs are available to you. We will determine available PayIDs based on the information we hold in connection with your Accounts. Certain types of mobile numbers and email addresses may not be in a format which is compatible with our PayID requirements and, therefore, cannot be created as a PayID.

Your PayID will be linked to a PayID name which is the name we allocate to you so payers can identify you and confirm your PayID in order to make an NPP Payment to your PayID ("**PayID Name**"). Your PayID Name must represent your real name and will usually be the same as your name on the Account linked to your PayID. You acknowledge that if you create a PayID your PayID Name will be displayed to payers who send NPP Payments to you using your PayID and to anyone who looks up your PayID via the PayID Service.

You must own or be authorised to use your chosen PayID. Before you can create a PayID you must satisfy us (acting reasonably) that this is the case. We may ask you to provide evidence to verify that you either own or are authorised to use your chosen PayID.

Each PayID can only be linked to one account at a time, but an account can have multiple PayIDs linked to it. For example, you may be able to create your mobile number and email address as PayIDs and link them to the same Account (in which case payments made to either PayID will be directed to the same Account), but you cannot use your mobile number or email address as the PayID for more than one account at a time.

If your Account is a joint account, you and each other joint account holder can each create a separate PayID for the Account.

Individuals with the following relationships to the Account will be able to create and link a PayID to that Account:

- Signing Officer
- Registered Business Owner
- Primary Owner
- Secondary Owner
- Trustee
- Power of Attorney

If your chosen PayID is already created in the PayID Service then we may refuse to create that PayID for you. If you believe that you own or are authorised to use that PayID then we will try to assist you to resolve this situation. We are not permitted by law to disclose to you the name or other personal information of a person who has already created a PayID using your chosen PayID.

If we agree to create a PayID for you we will ensure that your PayID and Account details are accurately recorded in the PayID Service.

Transferring your PayID to another account

Unless your PayID is locked, you can transfer your PayID by visiting a Suncorp Bank branch or by calling us on 13 11 55. A PayID is locked if it is temporarily disabled in the PayID Service and is temporarily unable to be used to receive NPP Payments into an Account (“**Locked**”).

Before you can transfer a PayID to another account you must satisfy us (acting reasonably) that you either own or are authorised to use your PayID. We may, acting reasonably, ask you to provide evidence to verify that this is the case.

Transferring your PayID to another eligible Suncorp Bank Account will usually be effective immediately, unless we notify you otherwise.

A transfer of your PayID to another financial institution is a two-step process initiated by you and completed by that financial institution. First, you must amend any PayTo Agreements linked to your PayID by replacing your PayID with another PayID or Account which is PayTo eligible, then ask us to put your PayID into a transfer state. If your PayID is transferred with an active PayTo Agreement linked to it, the PayTo Agreement will be cancelled.

We will process a request to transfer your PayID to an account with another financial institution within 24 hours. However, you will need to ask your other financial institution to link your PayID to your account with them and they may take longer to process your request. If you do not complete the transfer with the other financial institution within 14 days, the transfer will be deemed to be ineffective and your PayID will remain linked to your Account with us.

Until the transfer is completed, NPP Payments to your PayID will be directed to your Account with us linked to your PayID. Once your PayID has been transferred to an account at another financial institution, NPP Payments made to your PayID will be directed to that account.

Transferring your PayID from another financial institution to your Account

To transfer a PayID you have linked with an account at another financial institution to your Account with us, you will need to start the process with that financial institution. After your other financial institution has put your PayID into a transfer state, to complete the transfer of your PayID to an Account with us you will need to follow our PayID creation process and section above about ‘Creating your PayID’ as if you were creating a new PayID.

Ongoing use of your PayID

From time to time we may, acting reasonably, ask you to re-confirm your PayID is still current and that you still own it or are authorised to use it.

You acknowledge the following important information.

- If you use your PayID to make payments between your own Suncorp Bank Accounts, withdrawal limits may apply to those payments, as further described in our Mobile Banking Terms and Conditions for the Suncorp Bank App and our Internet Banking Terms and Conditions.
- Making a payment between your own Suncorp Bank Accounts using your PayID will use up the withdrawal limits available in relation to other types of payments, such as payments to an account at another bank.
- You should instead make payments between your own Suncorp Accounts via the “Transfer” payment option in the Suncorp Bank App or via the “My Account - Transfer between your accounts” payment option in Internet Banking, rather than by using a PayID, as withdrawal limits may not apply to payments made in this way.
- Withdrawal limits also apply to other types of payments to a PayID. Please refer to our Mobile Banking Terms and Conditions for the Suncorp Bank App and our Internet Banking Terms and Conditions.

You can use your PayID to establish a PayTo Agreement with a Merchant or Payment Initiator that offers PayTo payment services. You can also instruct us to amend a PayTo Agreement by replacing the linked PayID with a different Account or PayID which is PayTo eligible. Please refer to our Account Terms and Conditions for further details on the applicable requirements.

Closing a PayID

You can close your PayID by visiting a Suncorp Bank branch or by calling us on 13 11 55. We will complete a request to close your PayID within 24 hours.

If a PayID is closed it will be removed from the PayID Service, and it will be unable to be used to receive NPP Payments into your Account or to link to a PayTo Agreement.

Before you can close your PayID you must:

- satisfy us (acting reasonably) that you either own or are authorised to use your PayID and, if reasonably requested by us, provide evidence to verify that this is the case; and
- amend any PayTo Agreements linked to your PayID by replacing your PayID with another PayID or Account which is PayTo eligible. If your PayID is closed with an active PayTo Agreement linked to it, the PayTo Agreement will be cancelled.

You must promptly notify us to close your PayID if you no longer own or have authority to use your PayID, you change your name or any other information connected to your PayID changes.

We may close your PayID without your consent and with immediate effect:

- if you no longer own or have authority to use your PayID or we reasonably suspect this to be the case; or
- if your PayID ceases to have a connection with the Account linked to your PayID (for example if your PayID is a mobile number and you ask us to update your contact details on your Account with a different mobile number); or
- if you have changed your name or your name on the Account linked to your PayID changes; or
- if your PayID has not received a NPP Payment and we have not received a request from you to transfer your PayID to another account ("**Inactive**") for 7 years or more; or
- if a person seeks to register a PayID in the PayID Service which is the same as your PayID, your PayID has been Inactive for 6 months or more and we are unable to contact you; or
- if your PayID has been Locked for what we consider (acting reasonably) to be an excessive period of time; or
- if the Account linked to your PayID is closed or we transfer our responsibility for, or our interest in, your linked Account at any time to any person in accordance with our Account Terms and Conditions; or
- if we reasonably suspect that you are misusing your PayID or using it to procure NPP Payments fraudulently or if we have any cause for suspicion or concern in relation to your Account or payments to your Account; or
- if we are required to do so by law, by the operator of the NPP or to protect our Legitimate Interests.

If your PayID is closed you are responsible for informing parties who make payments to you using your PayID. After your PayID is closed, that PayID may be registered by another person if they can demonstrate they have the right to use it, and payments using that PayID will then be made to the other person's account.

Locking and unlocking a PayID

We will monitor PayID use to manage PayID misuse and fraud. You acknowledge and consent to us Locking your PayID if we reasonably suspect misuse of your PayID or use of your PayID to procure NPP Payments fraudulently or if we have any cause for suspicion or concern in relation to your Account or payments to your Account.

While your PayID is Locked:

- you will not be able to receive NPP Payments to your PayID;
- you will not be able to request a transfer of your PayID to another account; or
- any PayTo Agreements you have linked to your PayID will be paused, meaning Merchants and Payment Initiators will not be able debit the Account linked to your PayID.

You can request to unlock your PayID by calling us on 13 11 55.

Privacy & electronic communication for PayID

By creating your PayID you consent:

- to us collecting information connected to your PayID, such as your PayID, PayID Name and Account details (including full legal account name) ("**PayID Information**");
- to us using your PayID Information for the purpose of the PayTo Service and to enable payers to make NPP Payments to you in the PayID Service and to us disclosing your PayID Information to our service providers and our agents for the same purposes;
- to your PayID Name being shown to anyone who looks up your PayID via the PayID Service, has a PayTo Agreement with you or makes an NPP Payment to your PayID (for example, if your mobile number is your PayID, then any person who enters your mobile number in the "pay someone" or "pay anyone" field of their online banking may see your PayID Name attached to that mobile number);
- to us, our service providers and our agents disclosing your PayID Information to the PayID Service operator, NPP Australia Limited, so it can use your PayID Information to create your PayID, store your PayID Information in the PayID Service register and otherwise operate the PayID Service and PayTo Service; and
- to NPP Australia Limited disclosing your PayID Information to other financial institutions and BPAY® Pty Ltd (the Osko® service provider) and their service providers so they may use your PayID Information to facilitate the operation of the PayID Service and PayTo Service (for example to construct NPP Payment messages, to enable payers to make NPP Payments to you, to disclose your PayID Name to payers for NPP Payment validation, to trace lost NPP Payments, to investigate fraud or where required by law).

To the extent that the creation and use of the PayID Information constitutes a collection, disclosure, storage and use of your personal information within the meaning of the Privacy Act 1988 (Cth) and associated regulations, you acknowledge and agree that you consent to that disclosure, storage and use.

Where you hold a joint Account, other Account holders may be able to see messages and notifications associated with NPP Payments and other messages addressed to your PayID.

The collection, use and disclosure of your personal information is also governed by the Suncorp Group Privacy Policy and Suncorp Bank Privacy Statement (refer to www.suncorp.com.au/privacy for these documents)

If you ask us to create a PayID using a mobile number or email address we will need your consent to us communicating electronically to your chosen PayID as this may be necessary for us to establish that you either own or are authorised to use it. You may withdraw this consent at any time by calling us on 13 11 55. However, if you do this we may need to close your PayID, as we may no longer be able to establish that you either own or are authorised to use your chosen PayID which we must be able to do to satisfy our obligations under the NPP.
